

Legislation Dealing with Hazardous Industries

Dear Sir/Madam,

We are studying legislation dealing with hazardous technologies, processes or industries. Legislation here we mean any Act, Rules, regulation or executive order. We are collecting data on such legislation to understand whether any provision of any legislation is dealing with the risk posed by the environmental forces.

Kindly fill the questioner and send back to us.

I will be grateful if you could spare sometime from busy schedule and and fill the questionnaire.

Regards:

Sachin Damle

* Required
