**Our process to assist scholars:**

**Rapid Collaborate:-** We work on an online panel called [Rapid Collaborate](#) which is the perfect platform for research students who want to complete their research assignments after gathering online assistance from reputed dissertation writers, editors and statisticians.

**PhD. Planner:-**A handbook for organising your complete research work and to monitor your progress at each and every stage of your research. This planner would be your companion during your research journey and keeps you motivated to succeed in your PhD.

**Revision Policy:** After delivering the work, we also have a revision policy of 30 days, wherein we would require a minimum of 5 days to make the minor changes.

**Consultation call:** Call with the consultant would also be possible, we would be happy to solve all your queries.

**You can let me know if more references are required as in this data analysis is not possible. We can tyake the secondary data references and can develop the paper.**
